Just now our advertisers are making a rush upon our advertising space, and while we are pleased with the display of so liberal and enterprising spirit, we regret the curtailment of our reading space. However, if our patrons persist in holding the space, we will be forced to enlarge or maneuver more space in some way, to produce normal conditions again. The interest of patrons elicits our most earnest consideration continually.

Marion county is making a world of syrup this season, and it all finds ready sale at the home market. Some farmers have made more money off a few acres of cane made up in syrup, than many acres planted in cotton, which was a failure. Next year should see more ground put in corn, peanuts, cane, peas, potatoes etc., than in cotton.

DIED

We are sad indeed to relate the death of Mr. David Lee, who died at his home near Shiloh Monday evening, Nov. 20 after some years of suffering but not many days at a time in bed. He was feeling about as well as common Monday morning, was able to tote some wood in, had a bad spell and passed away Wednesday. He was buried at three o'clock Thursday evening in Shiloh cemetery. Mr. Lee was about 70 years old. He leaves a wife and five sons to mourn his loss. Tom and Will Lee at Jefferson, Harry and Raymond at Shiloh and Ed at Bryans Mill. They were all able to attend his funeral except Raymond and Ed. Bro. Hamblen conducted the service. Weep not, dear friends, we all know it is hard to give up our loved ones but not so hard when we feel that sweet assurance that we can meet them again some day in that beautiful home above, where there will be no parting tears nor no more sad good byes.
A Friend.

Simple Home Treatment Said to Overcome Rheumatism Without Injuring Stomach.

When an eminent authority announced in the *Seranton (Pa.) Times* that he had found a new way to treat that dread American disease, Rheumatism, with just common, every day drugs found in any drug store, the physicians were slow indeed to attach much importance to his claims. This was only a few months ago. To-day nearly every newspaper in the country, even the metropolitan dailies, is announcing it and the splendid results achieved. It is so simple that any one can prepare it at home at small cost. It is made up as follows: Get from any good prescription pharmacy Fluid Extract Sassafras, one-half ounce; Compound Kargon, one-half ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking in a bottle and take in teaspoonful doses after each meal and at bedtime. These are all simple ingredients, making an absolutely harmless home remedy at little cost.

Rheumatism, as every one knows, is a symptom of deranged kidneys. It is a condition produced by the failure of the kidneys to properly filter or strain from the blood the uric acid and other matter which, if not eradicated, either in the urine or through the skin pores, remains in the blood, decomposes and forms about the joints and muscles, causing untold suffering and deformity of rheumatism.

This prescription is said to be a splendid healing, cleansing and invigorating tonic to the kidneys, and gives almost immediate relief in all forms of bladder and urinary troubles and backache. He also warns people in a leading New York paper against the discriminate use of many patent medicines.

At midnight Friday, Nov. 22nd, Local Option went into effect at Jefferson and with little demonstration from either side. And for the first time in the history of Jefferson there are no open saloons. Some owners of the saloons will move them away while the others are opening up in other business at the old places.
